

WM Sets Date for Fourth Quarter and Full-Year Earnings Release Conference Call

Jan 09, 2024

HOUSTON--(BUSINESS WIRE)--Jan. 9, 2024-- WM (NYSE: WM) announced that it will release fourth quarter and full-year 2023 financial results after the close of the market on Monday, Feb. 12, 2024 and host its investor conference call Tuesday, Feb. 13 at 10 a.m. ET.

Listeners can access a live audio webcast of the conference call by visiting investors.wm.com and selecting "Events & Presentations" from the website menu. A replay of the audio webcast will be available at the same location following the conclusion of the call.

Participants who will be dialing in for the conference call should [register](#) to obtain their dial in and passcode details. Participants may pre-register at any time, including up to and after the call start time.

The Company participates in investor presentations and conferences throughout the year. Interested parties can find a schedule of these conferences at investors.wm.com by selecting "Events & Presentations."

ABOUT WM

WM ([WM.com](https://www.wm.com)) is North America's leading provider of comprehensive environmental solutions. Previously known as Waste Management and based in Houston, Texas, WM is driven by commitments to put people first and achieve success with integrity. The company, through its subsidiaries, provides collection, recycling and disposal services to millions of residential, commercial, industrial and municipal customers throughout the U.S. and Canada. With innovative infrastructure and capabilities in recycling, organics and renewable energy, WM provides environmental solutions to and collaborates with its customers in helping them achieve their sustainability goals. WM has the largest disposal network and collection fleet in North America, is the largest recycler of post-consumer materials and is the leader in beneficial use of landfill gas, with a growing network of renewable natural gas plants and the most landfill gas-to-electricity plants in North America. WM's fleet includes nearly 11,000 natural gas trucks – the largest heavy-duty natural gas truck fleet of its kind in North America. To learn more about WM and the company's sustainability progress and solutions, visit [Sustainability.WM.com](https://www.wm.com/sustainability).
